A large-scale 3D woodcut-style sculpture of the Hebrew word "Shalom" (Shlomo) stands prominently on a hillside. The letters are constructed from numerous wooden planks, giving them a textured, layered appearance. The sculpture is oriented vertically, with the letters pointing downwards. In the background, a city skyline with numerous skyscrapers is visible under a clear blue sky.

A smartphone is shown from a top-down perspective, displaying a video of a bridge spanning a body of water. The screen shows a wide-angle view of the bridge's structure and the surrounding greenery. The phone has a black case and is held by a hand. On either side of the phone, there is vertical text in a script font, which appears to be Telugu. The background behind the phone is a plain white surface.

A photograph of a car's interior showing two white, inflated airbags deployed across the dashboard. The steering wheel is visible at the bottom, and the center console with various controls is in the middle. The car's interior is dark, and the airbags are bright white.
